This tournament is dedicated to a man who left an indelible imprint on many people's lives.

With the support of family, friends and his passion for golf he fought a courageous 5-year battle with Prostate Cancer.

We believe that together we can make a difference in awareness, education and cutting-edge research for Prostate Cancer.

This event celebrates Bill's courage and memorable sense of humor. It also honors all men and their families who face, or will face Prostate Cancer in their lifetime.
